Got to Get It

Culture Beat

Got to get it
got to get it out of my head
I think I expected too much of it
got to get it
got to get it out of my head
I know I wanted too much from itGot to get it
got to get it
who needs to feel like that
got to get it
got to get it
who needs to feel like that
got to get it
got to get it
who needs to feel like that
got to get it
got to get itCan't get you out of my head I try
thoughts of you I just cannot defy
we must of had something real strong
I'm tossing turning all night long
can't eve enjoy a fantasy
without your face jumping in a scene
can't escape your grip cause
you clutch my mind
wanna dream of other girls
but you I find
thought getting you
out of my heart was hard
but now I see that was just the star
your legacy is trying to drive me mad
to forget I concentrate on all the bad
can't shake this monkey off my back
tried drinking everything
from beer to jack
no answers in all the books I've read
all I know is I've got the get
you our of my headSoloGot to get it
got to get it out of my head
I think I expected too much of it
got to get it

got to get it out of my head
I know I wanted too much from itGot to get it
got to get it
