

Horse Nation (Death Cult)

The Cult

And they come
And they come See them prancing
They come neighing, they come
A horse nation
See them prancin', they neighing come
See them prancin'
They come neighing and they neighing come The whole world is coming
From the four directions
Scream and shout See them prancing
They come neighing and they come
A horse nation
See them prancing, they neighing came
See them prancing
Proudly they came The whole world is coming
From the four directions
And I scream and shout The whole world is coming
From the four directions
Scream and shout
