

12 Through 15

Mayday Parade

(How you are fallen from heaven
O Lucifer, son of the morning
How you are cut down to the ground
You who weakened the nations
I will ascend above the heights of the clouds
I will be like the Most High.
Yet you shall be brought down to Sheol
To the lowest depths of the pit)Hey, the walls keep coming down but I'll stand brave
Love is just an empty word you say
I found loyalty and it was pain
And you hate that God keeps coming down
Cause you're afraid Lucifer just might be your middle name
You're the only angel that got awayAnd we're all alone now
With nothing to stand in our way
Don't swear that it's over if love is our secret
I know you won't keep itWe're taking this easy
Cause darling, that's what dreams are made of
This story is probably made up
So why don't you go back to sleep?Hey, the walls keep tumbling down but I stand brave
Maybe I'm the one who's in your way
I'm the only reason love got away (love got away)And we're all alone now
(yeah we are right)
With nothing to stand in our way
Don't swear that it's over, if love is our secret
(don't keep me guessing)
I know you won't keep itWe're taking this easy
(we're taking this easy)
Cause darling that's what dreams are made of
(ah, ah, ah)
This story is probably made up
(ah, ah, ah, ah)
So why don't you go back to sleep? (just like we never did)Why don't you dream about me? (just like we
always should)
Cause I'm the reason you're alone now
You're blaming everything on your hometown
(don't keep me guessing)
Why would you say that?Oh, oh, oh I think you're better off when you're on your own
You say to keep me close
Cause I'm the closest thing that you've ever known

You said the problem's in your heart
But the problem's who you are
So leave me alone now
I'd rather be lonely when I scream and shout and let it out
We're taking this easy
(we're taking this easy)
Cause darling that's what dreams are made of
(ah, ah, ah)
This story is probably made up
(ah, ah, ah, ah)
So why don't you go back to sleep? (just like we never did)
Why don't you dream about me? (just like we always should)
Cause I'm the reason you're all alone now
Quit blaming everything on your hometown
(don't keep me guessing)
Why would you say that?
