

I Don't Know

Third Day

Cannot find the words to say I'm sorry
Don't know how to show You I was wrong
I wasted all that You had given to me
Now I'm left with nothing and no one And I find it's my fault
And I'm the only one to blame
For the tears and the pain And I don't know what I can say or would it matter anyway
'Cause I don't know how You could still forgive me, yeah
For all that I have put You through is there anything that I can do?
I would give my life to find Your mercy And all my life has lead to this decision
To return and ask You this one thing
And if I had one chance or if a million
Would it ever be enough for me? To explain what I've done
Now I know that I was wrong
Will You hold me again? Well, I don't know what I can say or would it matter anyway
'Cause I don't know how You could still forgive me, yeah
For all that I have put You through is there anything that I can do?
I would give my life to find Your mercy What will it take until You forgive me
I don't know, I don't know And I find it's my fault
I'm the only one to blame
For the tears and the pain Well, I don't know what I can say or would it matter anyway
'Cause I don't know how You could still forgive me, yeah
For all that I have put You through is there anything that I can do?
I would give my life to find Your mercy Well, I don't know what I can say or would it matter anyway
'Cause I don't know how You could still forgive me, yeah
For all that I have put You through is there anything that I can do?
I would give my life to find Your mercy What will it take until You forgive me
Oh, Lord, will I find that You have already
I don't know, I don't know, I don't know, I don't
know
