

# So Sick (Domimatrixx Edit)

## Brandy

I'm sick cause it's 4 in the morning  
And I'm sick cause I ain't heard from him  
I done seen this flick before  
G-g-g-gave him plenty warning  
He said he wouldn't do it again  
You know my heart keeps telling me it's gon' stop  
Now there's a knock but the dead bus lock  
(My-my-my conscious saying)  
You can do better girl  
Cause right now he ain't ready  
But the other side of my head side is saying  
That I might not find no better So when he a-a-ask just how could you love somebody so oh  
This feeling this question I asked still been unanswered  
But is so oh oh so many  
Yeah e yeah Sick  
When you take him back every time  
Cause the love is so amazing  
And it makes you so sick  
When it makes you go and compromise  
Everything you said the night before  
You wouldn't do oh  
Sick  
When you love him more than you love yourself  
You can't let go  
'Cause you just can't help it  
'Cause the only left to do is cry  
'Cause deep inside  
It makes you so sick  
Oh oh oh oh oh oh oh oh  
Don't sometimes it makes you so  
Sick  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Don't sometimes it makes you so  
Sick Of course hes calling me a Satan  
(In the morning)  
But I ain't gon' be late for it again  
(I can't afford this)  
I'm pulling off he pulls up (pulls up)

There's gonna be more to discuss  
I'm telling him last night I was all ears  
But he was no where to be found  
Told him last time he made me feel this way  
I wasn't gon' be the one goin' back on my word  
I was just gon' let it end  
Working for me and you  
Now I'm back home in the bed missing the hell out of you Sick  
When you take him back every time  
Cause the love is so amazing  
And it makes you so sick  
When it makes you go and compromise  
Everything you said the night before  
You wouldn't do oh  
Sick  
When you love him more than you love yourself  
You can't let go  
'Cause you just can't help it  
'Cause the only left to do is cry  
'Cause deep inside  
It makes you so sick  
Oh oh oh oh oh oh oh oh  
Don't sometimes it makes you so  
Sick  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Don't sometimes it makes you so Oh far  
Can you tell me how far  
Does someone have to push you to recognize  
They pushed you over the line  
The line, the line  
Baby  
How far  
Baby how far  
Do you think I'm gonna let you push me  
Before I cross the line  
Before I cross the line Sick  
When you take him back every time  
Cause the love is so amazing  
And it makes you so sick  
When it makes you go and compromise  
Everything you said the night before  
You wouldn't do oh  
Sick  
When you love him more than you love yourself

You can't let go  
'Cause you just can't help it  
'Cause the only left to do is cry  
'Cause deep inside  
It makes you so sick  
Oh oh oh oh oh oh oh oh  
Don't sometimes it makes you so  
Sick  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Don't sometimes it makes you so
