Rather Be

CDM Project

We're a thousand miles from comfort
we have traveled land and sea
But as long as you are with me
there's no place I rather beI would wait forever, exulted in the scene
As long as I am with you
my heart continues to beatWith every step we take, Kyoto to The Bay
Strolling so casually
We're different and the same
gave you another name
Switch up the batteries
If you gave me a chance
I would take it
It's a shot in the dark
but I'll make it
Know with all of your heart
you can't shame me
When I am with you
there's no place I rather be
N-n-n-no, no, no, no place I rather beWe staked out on a mission
to find our inner peace
Make it everlasting so nothing's incomplete
It's easy being with you, sacred simplicity
As long as we're together
there's no place I rather be
With every step we take, Kyoto to The Bay
Strolling so casually
We're different and the same
gave you another name
Switch up the batteriesIf you gave me a chance
I would take it
It's a shot in the dark but I'll make it
Know with all of your heart
you can't shame me
When I am with you
there's no place I rather be
N-n-n-no, no, no, no place I rather beHmm, Hoo
Be
Yeah-e-yeah-e-yeah-e-yeah-e-yeah, yeah, yeahIf you gave me a chance
I would take it

It's a shot in the dark but I'll make it
Know with all of your heart
you can't shame me
When I am with you
there's no place I rather be
N-n-n-no, no, no, no place I rather be
