

Nothing to Lose

Billy Talent

Need more friends with wings
All the angels I know
Put concrete in my veins
I'd always walk home alone
So I became lifeless
Just like my telephone There's nothing to lose
When no one knows your name
There's nothing to gain
But the days don't seem to change Never played truth or dare
I'd have to check my mirror
To see if I'm still here
My parents had no clue
That I ate all my lunches
Alone in the bathroom There's nothing to lose
When no one knows your name
There's nothing to gain
But the days don't seem to change
There's nothing to lose
My notebook will explain
There's nothing to gain
And I can't fight the pain Teachers say its just a phase
When I grow up my children
Will probably do the same
Kids just love to tease
I know it put me under ground
At seventeen There's nothing to lose
When no one knows your name
There's nothing to gain
But the days don't seem to change
There's nothing to lose
My notebook will explain
There's nothing to gain
And I can't fight the pain There's nothing to lose
When no one knows your name
There's nothing to gain
My notebook will explain
There's nothing to lose
When no one knows your name
There's nothing to gain

And I just died today
