

# Not the One

## The Heavy

I took a leave of my senses  
I walked the long way home  
I jumped the walls and the fences  
    Skinned all four  
I can't afford to be there  
    My name is on the list  
This is what you could've loved  
This is what you missed So don't make me beg  
    On ball and chain  
    Don't face the fever  
    On the burning flames  
    Don't call me baby  
    That's not my name  
    I'm not the one  
I'm not the one And now I feel the danger  
    Is my head on the block?  
Is my heart supposed to beat like a broken clock?  
    What's it all amount to?  
    A lover of your funk  
    If you feel like dancing  
Don't you feel it on your own? Don't make me beg  
    On ball and chain  
    Don't face the fever  
    On the burning flames  
    Don't call me baby  
    That's not my name  
    I'm not the one  
I'm not the one I'm not the one  
    I'm not the one  
    I'm not the one  
    I'm not the one  
    I'm not the one  
    I'm not the one  
    I'm not the one  
    I'm not the one  
I'm not the Ain't looking for drama  
    Ain't out for blood  
    I can be your savior  
Treat me like a God So don't make me beg

On ball and chain  
Don't face the fever  
On the burning flames  
Don't call me baby  
That's not my name  
I'm not the one  
I'm not the one Don't make me beg  
On ball and chain  
Don't face the fever  
On the burning flames  
Don't call me baby  
That's not my name  
I'm not the one  
I'm not the one  
I'm not the
