Hiro's Song

Ben Folds

My name is Hiro, I am 51
Since 1980, life has been no fun
And I don't want to die
I left my family for the secretaryOh, oh
Oh, oh
Oh, ohHer name is Yuko, she is 22
She and my daughter were best friends in high school
They say I'm crazy and it's temporary
But I refuse to rot like my contemporariesI wanna explode
In a karaoke supernova
I don't wanna grow old
Won't you let me, won't you let me explode?I don't wanna grow old
Won't you let me, won't you let me explode?
In a karaoke supernova, yeahOh, oh
Oh, oh
Oh, ohLast night, she dressed me up in hip hop pants
The phat G style that rides below your ass
She wants to show me to her mom and dad
I told her I would not be down with that'Cause lately, I can feel the years between us
And hope to God that friends at work don't see us
Tonight she asked me if I've ever seen Jesus
'Cause she had backstage passes for three of usI don't wanna grow old
Won't you let me, won't you let me explode?
I don't wanna grow old
Won't you let me, won't you let me explode?
In a karaoke supernova, yeahSo now she's gone and broke my heart, goddamn her
Turns out she's been fucking this drum programmer
She likes his style, she likes his rock start glamor
Well she's an infant, he can damn well have herI don't wanna grow old
Won't you let me, won't you let me explode?
I don't wanna grow old
Won't you let me, won't you let me explode?I don't wanna grow old
Won't you let me, won't you let me explode?
I don't wanna grow old
Won't you let me, won't you let me explode?
In a karaoke supernovaAlright, alright bring the saxes in
That's good, keep it up
Okay, some more on the drums
Bring in the tambourine, yeah, shit, yeahMore shit, c'mon bring in some more shit

Baby, c'mon, alright
It's all, it's all, it's all, it's all, it's all
It's all me, baby, c'mon, yeah
