Ya dirty dollars huh, yours truly
I know ya'll been waitin' for it and it's about time ain't it
What I'ma need ya'll to do, since I got what you want
I want all troops to report to the dance floor right now I need a bitch to back that ass up
Make it clap, turn it up, now shake it a 'lil fastah
One cheek at a time, left cheek, right cheek, do it all to the beat
Its easier in a G string and you can free ball, bitch
And you don't gotta wear drawers, how low can you go?
Look back at it and make it jump like a jack rabbit
Now take it down to the flow
Shake ya booty, break it down, get low low Now work the flow like a runway
Now vogue wid it, point a nigga out and tell him come get it
Boom boom skeet skeet god damn
Now grind on it, bitch bounce up and down on it
Now let him hit from the back
Put an arch in your back and let him hit it like that Now to the beat, jump, jump on da dick
Don't eat, sucka, suck on da clit
That's right, jump, jump on da dick
All night, sucka, suck on da clit Just, jump on da dick, suck, suck on da clit
Jump, jump on da dick, just suck on da clit
Just, jump on da dick, jump, jump on da dick
Sucka, suck on da clit, just suck on da clit Hush, shut up, don't say nothin
A when I'm riddin' in, slippin' sliddin' in
And the more you in it the betta it gets
And its up to you how wet it gets
And its up to you how many nuts you get
My nigga you don't who you fuckin' with
Who you suckin' up who you love to fuck
Ya see a bitch like me, I never stop I like to take it from the back then ride on top
All night all day I be on my way
When you call if you call all you have to say is
Jump on da dick, bitch do your thing

And I'm gonna get fucked up and suck you up
So what you think about that you wanna give it to me
Then baby show me what you got come on and give it to me 'cus Now to the beat, jump, jump on da dick
Don't eat, sucka, suck on da clit
That's right, jump, jump on da dick
All night, sucka, suck on da clit Just, jump on da dick, suck, suck on da clit
Jump, jump on da dick, just suck on da clit
Just, jump on da dick, jump, jump on da dick
Sucka, suck on da clit, just suck on da clit I'm a playa but a known dick laya
Talk a bitch outta pussy don't pay her

Keep your mouth open bitch and turn this way
Let me stick somethin' in it you like You can spit or slob, but don't bite, you like the rap here's a mic
So spit a 'lil somethin' that a nigga like
Turn your ass over and throw it back

No child support bills so swallow my kids, ho Now to the beat, jump, jump on da dick
Don't eat, sucka, suck on da clit
