Healed

Rag'n'Bone Man

Must've drank a lot of pain
Judging by the way it aches
I must've sold a lot of secrets
Everyone a heavy weight
Of all the feelings that I fade
You're the first one I defeatedEverything I know
And everything I don't
You took 'em all and shook 'em to the floor
Now I've laid the ghost
What I hate the most
You blew them all the away, you close the doorAnd I'm healed when you love me like
You love me like that
Yeah I'm healed when you love me like
You love me like thatLove has such a bitter taste
When you're lying in its wake
At least I know I've got a reason
Now a mother can relate
In a better place
When I know I've broken evenEverything I know
And everything I don't
You took 'em all and shook 'em to the floor
Now I've laid the ghost
What I hate the most
You blew them all the away, you close the doorAnd I'm healed when you love me like
You love me like that
Yeah I'm healed when you love me like
You love me like thatNobody knows like my baby knows
Nobody goes like my baby goes
Nobody knows like my baby knows
Nobody, nobodyAnd I'm healed when you love me like
You love me like that
Yeah I'm healed when you love me like
You love me like thatAnd I'm healed when you love me like
You love me like that
Yeah I'm healed when you love me like
You love me like that
