

# Carry On

## Mateo

Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby? B-b-baby won't you think about it? I know that this wasn't part of the plan  
I know the left turned to figure  
Too bad on your side  
Lucky for me that I've already had  
Just listen, and get with me baby Cause if you want me baby  
Like I want you baby, yeah  
You got me baby  
And got you so leave him in the past  
And we could just carry on  
Baby, just, just carry on  
Uh, uh, uh  
Let's carry on  
If you don't care, tell me now  
Just promise me baby Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby?  
B-b-baby won't you think about it? Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it? I know that pain's been your friend through the years  
Let me erase him along with your tears for ever  
You know you smile so much more when I'm near  
So stop waiting  
Cause you are already loved Cause if you want me baby  
Like I want you baby, yeah  
You got me baby  
And got you so leave him in the past  
And we could just carry on  
Baby, just, just carry on  
Uh, uh, uh  
Let's carry on  
If you don't care, tell me now  
Just promise me baby We could just, just, just carry on  
We could just, just, just carry on We could just carry on  
Baby, just, just carry on  
Uh, uh, uh  
Let's carry on

If you don't care, tell me now  
Just Wromise me baby Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby?  
B-b-baby won't you think about it? Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby?  
B-b-baby won't you think about it? Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby?  
B-b-baby won't you think about it? Won't you think about it baby?  
Won't you think about it baby?  
Won't you think about it baby?  
Na na na na na na
