

Flashback

Calvin Harris

I'm coming 'round
And now my vision is so clear
If I could change my state of mind
 Then I would disappear
 The love I get from you
 Is something I can't change
 And I could let you slip away
 Without a second glance
 Why can't I realize
 I'm fighting for my life?
 Why can't I realize
 I'm fighting for my life?
 This is like a flashback
 This is like a dream
This is like all the things you can fit
 Inside a memory
 This is like a flashback
 This is like a dream
This is like all the things you can fit
 Inside a memory
 This is like a flashback, flashback
 This is like a flashback, flashback
 Why can't I realize
 I'm fighting for my life?
 Why can't I realize
 I'm fighting for my life?
 This is like a flashback
 This is like a dream
This is like all the things you can fit
 Inside a memory
 This is like a flashback
 This is like a dream
This is like all the things you can fit
 Inside a memory
