

# The Lucky Ones

## Kerli

We are the lucky ones  
Oh whatever comes  
We are the lucky ones  
Ooh yeah  
We are the lucky ones  
Oh whatever comes  
We are the lucky ones Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are  
Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are  
Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are And when your world is crumbling down  
I can make it better  
When youre lost, need to be found  
I will look for-e-ever For you  
For you  
For you We are the lucky ones  
Oh whatever comes  
We are the lucky ones  
Ooh yeah  
We are the lucky ones  
Oh whatever comes  
We are the lucky ones And when your world is crumbling down  
I can make it better  
When youre lost, need to be found  
I will look for-e-ever Just keep me close, there is no storm  
That we can not weather  
However how high, however low  
I will face for-e-ever For you  
For you  
For you  
For you We are the lucky ones  
Oh whatever comes  
We are the lucky ones

Ooh yeah  
We are the lucky ones  
Oh whatever comes  
We are the lucky ones Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are  
Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are  
Ooh ooh hoo, ooh ooh hoo  
Ooh ooh hoo  
We are, we are, we are
