Call Me

Joon Moon

you looked away I call out
didnâ€™t wanna meet my eye
knowing that we shoulda died

all i want is forever
to last a little while

oh
why wonâ€™t you call
me yours
tonight
like you used to do
cause thereâ€™s still love
in life

say weâ€™re not done
why wonâ€™t you just say
weâ€™re still one
love cannot wait
call me yours

take it or leave it
take it or lose me now

i saw your face in the mirror
your cheek next to mine
wishing you were still around
how i long to give you
all that you desire

oh
why wonâ€™t you call
me yours
tonight
like you used to do
cause thereâ€™s still love
in life

say weâ€™re not done
why wonâ€™t you just say

weâ€™re still one
love cannot wait
call me yours

take it or leave it
take it or lose me now

oh
why wonâ€™t you call
me yours
tonight
like you used to do
cause thereâ€™s still love
in life

say weâ€™re not done
why wonâ€™t you just say
weâ€™re still one
love cannot wait
call me yours

take it or leave it
take it or lose me now

say weâ€™re not done
why wonâ€™t you just say
weâ€™re still one
love cannot wait
call me yours

take it or leave it
take it or leave it
lose me now (x3)
