

That's How I Like It

Lynyrd Skynyrd

Let me tell ya
Where I come from it's grits and gravy not champagne and caviar
Got pick-up trucks, ain't no Mercedes
That's who we are
Ooh, yeah I wouldn't change a thing
I ain't no saint sometimes a sinner and I can't tell you why
But I get up every mornin' and thank the man above
Ooh woo my life is good
Let me tell ya how good ha ha
Like my women hot and my beer ice cold
A real fast car and my whiskey old
Like a slow drive down and old dirt road
That's how I like it
I like to turn my music way up loud
Ain't nothin' better than the sound of a crowd
American flag it makes me proud
That's how I like it
Woo aah listen now
Ain't no cell phone towers, you won't catch me on line
Workin' with my hands for hours, is how I spend my time
And I don't stand in line for coffee, it ain't my cup of tea
Out here in the country we got everything we need, ooh woo yeah

Like my women hot and my beer ice cold
A real fast car and my whiskey old
Like a slow drive down and old dirt road
That's how I like it
I like to turn my music way up loud
Ain't nothin' better than the sound of a crowd
American flag it makes me proud
That's how I like it yeah
Ohh woo that's how I like it
Like my women hot and my beer ice cold
A real fast car and my whiskey old
Like a slow drive down and old dirt road
That's how I like it
I like to turn my music way up loud
Ain't nothin' better than a Skynyrd crowd
American flag it makes me proud

That's how I like it yeah
That's how I like it, that's how I like it
Woo
Yeah
