

# To Be a Man

## Boston

What does it take to be a man?  
What does it take to see  
It's all heart and soul  
A gentle hand? So easy to want and so hard to give  
How can you be a man  
'Til you see beyond the life you live?  
Oh, what does it take to be a man? We can be blind, but a man tries to see  
It takes tenderness  
For a man to be what he can be  
And what does it mean If you're weak or strong?  
A gentle feelin'  
Can make it right or make it wrong  
What does it take to be a man? The will to give and not receive  
The strength to say what you believe  
The heart to feel what others feel inside  
To see what they can see A man is somethin' that's real  
It's not what you are  
It's what you can feel  
It can't be too late  
To look through the hate and see  
I know that's what a man can be
