

# Wrong (Bronleewe & Bose Radio Edit)

[Kimberley Locke](#)

You can say I'm weak, can say I'm frail  
But your presumptions won't prevail  
I'm made of more than what you see  
You tell me to twist, tell me to bend  
But I won't break just to fit in

Just shut your mouth and listen up I was so naive to let you have control of me  
But now that I believe in me I know, oh You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be  
You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be, yeah I'm on the outside looking in  
No longer do I pretend to be something that I'm not, yeah

I don't run and I don't hide  
Behind a comfort in disguise

What you see is what you get I was so naive to let you have control of me  
But now that I believe in me I know, oh You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be  
You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be, yeah I wouldn't change a thing  
'Cause life is how you grow

You live, you learn, and then you know That you're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be  
You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be  
You're wrong, and I'm strong, unafraid of moving on  
'Cause I'm free to be me, nobody tells me who to be, yeah
