

Better than Whiskey

[Daniel Antopolsky](#)

Miss Tennessee whiskey, married the Georgia pine
They had little white lightnings and red-hot moonshines
Kentucky bourbon runs down the hill
There's good scotch whiskey smokin' in the still

Oh, Irish whiskey, red Bordeaux wine
All the drinks I've mentioned, been good friends of mine
And if you'd come back, I'd drink a little toast, good Lord
I love good liquor, but I love you the most

Smoked hoochey in the mornin', gallivanted all night
Swallowed reds and blues and most everythin' in sight
Cactus in the canyon, mushrooms in the fall
Now that I look back, that didn't mean much at all
Now that I look back, that didn't mean much at all

Oh, Irish whiskey, red Bordeaux wine
All the drinks I've mentioned, been good friends of mine
But if you'd come back, I'd drink a little toast, good Lord
I love good liquor, but I love you the most

With a little hope and faith, just gotta believe
No use in hidin' somethin' up my sleeve
The only answer that I can find
Your love is better than whiskey, better than wine
The only answer that I can find
Your love is better than whiskey, better than wine

Oh, Irish whiskey, red Bordeaux wine
All the drinks I've mentioned, been good friends of mine
But if you'd come back, I'd drink a little toast, good Lord
I love good liquor, but I love you the most
And if you'd come back, I'd drink a little toast, good Lord, good Lord, good Lord
I love good liquor, but I love you
Love you, love you, love you, love you, love you
Love you the most, Yooh ooh! Yeah, come on
