Headache

August Kuper

i donâ€™t wanna be the pride
i donâ€™t wanna be the victim
i just wanna be the lion
is easing my kingdom

what i just wanna trust
i donâ€™t wanna fear
i set on the sun now
you have no place here

Iâ€™ve been thinking way too much about what you said
get out my head
just get out my head

i just wanna trust
no i donâ€™t wanna fear
im sitting in the sun now
you have no place here

i donâ€™t wanna be the pride
i donâ€™t canna be the victim
but i donâ€™t wanna be the lion
thats easing my kingdom

Iâ€™ve been thinking way too much about what you said
get out my head
just get out my head
