Goldmine

Caviar

I take a pill or two to make me nice for you
Buzz me at 3 am you feel inflicted dirty
It's not called making out
If you are over thirtyShe got the gold mine I got the shaft
I'm 747, she's anti-aircraft
She makes me insecure but that should make her fear me more
She got the gold mine but I'm fine, fine, fineI am a waste of time December valentine
She is a rich bitch, she calls me 'Macho man'
She speak in tiny words
But I don't understandShe got the gold mine I got the shaft
She Thomas Jefferson I'm William Howard Taft
She makes me insecure but that should make her fear me more
She got the gold mine but I'm fine, fine, fineShe got my headlights in her eyes
She got my headlights in her eyes
She got my headlights in her eyes
She got my headlights in her eyesShe got the gold mine I got the shaft
She is the Nobel Prize I am a rough draft
She makes me insecure but that should make her fear me more
She got the gold mine but I'm fine, fine, fine, fine, fine, fine, fineShe got the gold mine I got the shaft
I'm 747 she's antiaircraft
She makes me insecure but that should make her fear me more
She got the gold mine but I'm fine, fine, fineShe got the gold mine
She got the gold mine
