

# Can't Take My Joy Away

Vashawn Mitchell

Persecuted,  
But not forsaken.  
Cast down,  
But not destroyed.  
I have something,  
This world can't take,  
Away from me.  
(Repeat)

No matter how hard you try,  
You can't take it.  
I may even have to cry but I'll,  
I'll make it.  
There's,  
Joy for my sorrows,  
Hope for tomorrow  
I have something,  
This world can't take away.  
I've been persecuted.

CHORUS (1x)

In the midst of my trials I will,  
Be alright.  
In the midst of my pain I know I will,  
I'll survive.  
There's joy for my sorrows,  
I have, hope for tomorrow.  
I have something,  
This world can't take away.  
I've been persecuted YEAH

Persecuted,  
But not forsaken.  
Cast down,  
But not destroyed.  
I have something,  
This world can't take,  
I have something,  
This world can't take.

I have something  
This world can't take.  
AWAY FROM ME

Can't take my joy away.  
Can't take my joy away.  
Can't take my joy away.  
Can't take my joy away.

I'm a survivor!  
I'll make it!  
I'm a survivor!  
I'll make it!  
I'll make it!  
I'll make it!  
I'll make it!  
I'll make it!

Can't take my joy away!  
Can't take my joy away! (4xs)

CAN'T TAKE MY JOY AWAY!
