

# Hoodoo Man

Rory Gallagher

Well, if your baby start acting funny  
She start messin' around  
You better let her go  
I know she's gonna put you down Just let her go  
Just as quick as you can  
'Cause that little hoodoo woman  
Is fixin' to hoodoo the hoodoo man My baby got me doctor one note  
That's something I can't understand  
How could she take all my money  
And give it to a, her other man? I'm gonna let her go  
Just as quick as I can  
'Cause that little hoodoo woman  
I know she's fixin' to hoodoo the hoodoo man Call up my little baby  
Long distance on the telephone  
But the voice on the other end  
Is a low down mellow tone I'm gonna let her go  
As quick as I can  
'Cause that little hoodoo woman  
I know she's gonna hoodoo the hoodoo man Come on and see some hoodoo  
Hoodoo man Called up my doctor  
To ask for his advice  
But you know he's out all night with my baby  
They painted up the town once or twice Gonna let her go  
Just as quick as I can  
I know that little hoodoo woman  
Is planning to hoodoo the hoodoo man She's got the hoodoo  
She's got the hoodoo  
Hoodoo  
Hoodoo Come on  
Oh, little hoodoo woman  
I bet she's gonna hoodoo the hoo  
I know she's gonna hoodoo the hoodoo man  
I know she's gonna hoodoo the hoodoo man
