Angel's Eyes

Jan Wayne

On a cold and lonely morning
Rain clouds over my head
Gloomy memories in mind
No way seems to lead outThen suddenly a shine came through
Rainbow high in the sky
There he was dressed in blue
I never had a doubtWhen I looked into angel's eyes
My heart started burning
When I looked into angel's eyes
My mind got yearningWhen I looked into angel's eyes
My heart started burning
When I looked into angel's eyes
The world began turningHis black hair blowing in the wind
Oh what a sunny smile
He took me by the hand and he said
Come with me to the stars
