Joe

(This is...)

(This is...)

Ha ha ha ha

Yeah, I know what this is

Listen

Yo, Joe, I tell them girls like this...I say my love's the bomb

Girl, you gotta put me on

My love's the bomb

Girl, you gotta put me on

My love's the bomb

Girl, you gotta put me on Yo, Joe, talk to 'em

(Ow)

Listen

Yeah My love's the bomb

Girl, you gotta put me on

My love's the bomb

Girl, you gotta put me on tonight

Mmm Look, I gotta get this money, girl

You know I gotta get this stolen

'Cause I can't take us living out here strugglin' no more

(No more)

(No more)

Hoo Listen, baby

Your ears and your neck gotta glisten, baby

And this is crazy

But this the way it's gotta be

Baby, you're a queen

Plus I ain't fit to be a man

So the plan for me

It's to get the cheese

By any means

Listen to me [Chorus]

Every thing's gonna be all right

So relax yourself, baby

Please cycle down

Relax yourself

Please cycle down (It ain't nottin' nice

It ain't nottin' nice

It ain't nottin' nice now

Said, it ain't nottin' nice now
It ain't nottin' nice
It ain't nottin' nice
It ain't nottin' nice now)And when we make it
I'm gonna fly you to the moon and back
Visit the stars
Yes, you are
(You are)
So beautiful to me
Beautiful as can be
Good God sent you to me
You're and angel
And I hope these streets don't take me
Down the wrong road we gonna make it
Trust in love 'cause it's amazing
Yes, it is
So please
Just trust in me
Listen to me, girl[Chorus]It ain't nottin' nice
It ain't nottin' nice
It ain't nottin' nice now
Said, it ain't nottin' nice now
It ain't nottin' nice
