

This Love Is Like

Toni Gonzaga

This love is like

This love is like

This love is like

This love is like I'm mortal, You're eternal.

I am bound to limitations. But there's something in between us.

That is giving me the freedom. I feel your supernatural..

This love it feels ethereal.. I'm walking on air...

Walking on e-e-air e-e-air.

This love affair...

Is like walking on e-e-air e-e-air...

This love is like... Walkin'

Walkin'

Walkin'

Walkin' I'm walking on

Walkin'

Walkin'

Walkin'

Walkin' I'm walking on

Walkin'

Walkin'

Walkin'

Walkin' I'm walking on air...

I'm walking on You have loved me at my darkest

You have crowned me with your brightness

All my fears and

All my secrets

I can rest them

No pretenses. I feel your supernatural..

This love it feels ethereal.. I'm walking on air...

Walking on e-e-air e-e-air.

This love affair...

Is like walking on e-e-air e-e-air...

Our love is like... High up in the heavens take me

Higher where you love completes me

Take me to a place where I'm free

Hold me close where you can keep me

Far from all the hurt you saved me

Take me to a place where I'm free Walking on air

This love it feels like Walking on air

This love it feels like Walking on air
This love it feels like/uh Walking on air
This love it feels like Walking on air
This love it feels like Walking on air
This love it feels like Walking on air
This love it feels like I'm walking on air...
Walking on e-e-air e-e-air. This love affair...
Is like walking on e-e-air e-e-air... I'm walking on air...
Walking in e-e-air e-e-air. This love affair...
Is like walking on e-e-air e-e-air... I'm mortal, You're eternal.
I am bound to your kingdom. This love is like...
This love affair...
