# New Life

## Violet Sunset

Nothing to lose,
Iâ€™m right here where I belong,
Iâ€™m leaving everything to find myself.

Thereâ€™s only hope,
no more shadows in my way,
I was in a world
where this was just and illusion.

Time, Iâ€™m leaving the human I used to be,
thereâ€™s no time, Iâ€™m starting to live a new life.
Time, Iâ€™m leaving the human I used to be,
thereâ€™s no time, Iâ€™m starting to live a new life.

Iâ€™m running against time to reach my goals,
Iâ€™m fighting my fears to find the truth,

Time, Iâ€™m leaving the human I used to be,
thereâ€™s no time, Iâ€™m starting to live a new life.
Time, Iâ€™m leaving the human I used to be,
thereâ€™s no time, Iâ€™m starting to live a new life.
