Get Back

Demi Lovato

Don't walk away like you always do This time Baby you're the only thing that's been On my mind Ever since you left I've been a mess (You won't answer your phone) I'll say it once and I'll leave you alone But I gotta let you know[Chorus] I wanna get back To the old days When the phone would ring And I knew it was you I wanna talk back And get yelled at Fight for nothing Like we used to Oh, kiss me Like you mean it Like you miss me Cause I know you do I wanna get back Get back With youDon't look at me that way I see it in your Eyes Don't worry about me I've been Fine I'm not gonna lie I've been a mess Since you left And every time I see you It gets more and more intense[Chorus]You were the only one I wanted And you were the first one I fell for

And I don't want to be lonely anymore[Chorus](Get back)
