

The Grind

Aerosmith

I never thought a first time love would ever last
How could a kiss like that
Knock me flat on my assThe burning bed
The roses dead
And now I'm dancing with myselfYeah,
I'm missing you
Just like you want me to
You made me trip into the grind
Now I can't get you off of my mindYeah,
Your sweet talking hip shaking wobble gonna blow a man away
Kiss butt, and guess what
Even double crossin' dogs have their day, ha
So forget about, regret about, you're right I ain't afraid to sayYeah, I'm missing you
Just like you want me to
You made me trip into the grind
Now I can't get you offAnd the more I try
Leads to the same old why
You made me slip into the grind
Now I can't get you off of the cloud we was on
And now it's all gone
Tell me why, why, why, why
Why ain't I getting through
Ain't no lie there out of love, love, loveTell me was it good, for youTell me what you wantYeah, cause I'm
missing you
Just like you knew I'd do
You made me trip into the grind
Now I can't get'choo off
And I know I tried
Leads to the same old why
You made me trip into the grind
Now I can't, can't, can't get you
Get you [Repeat: x4]
Get you [Repeat: x3]Off of my mind
