

Searching For Perfection

S Club 8

I just want it all, baby...
Baby, Baby...
Searching for perfection,
Let me tell you I just want it all...

This girl doesn't want Mr Maybe
So don't be wasting my time,
'cause I know what I want from my boy
Just enough of you love
So you last me till forever

[Bridge]
You're stealing my heart
Like a thief in the night
Yeah I know, no, no
Hold back till you know where I'm at
'cause a girls' gotta know for sure

[Chorus]
Searching for perfection baby
No more time for love rejections honey
Gotta make the right connection,
Let me tell you I just want it all
Won't give up on love
Never giving in moving on & up
As we're riding on the rhythm
'cause I'm searching for perfection,
Let me tell I just want it all
(No time for love rejection)

No way will I take Mr Part-time
Ain't gonna compromise
So wake up if want what I got
Take me on & you'll find
That you'll never get no better

[Bridge and Chorus]

You're stealing my heart
Like a thief in the night

Yeah I know,
Hold back till you know where I'm at
'cause a girls' gotta know for sure

[Chorus till fade]
