

It Hurts Too Much to Stay (feat. Kelly Price)

Gerald Levert

Candle light and chocolate kisses
Calls to say you missed me when we started
Your nails was done, your hair was pressed
I miss the way you used to dress
When I met you
I really do I gave my best 4 years, my time was wasted
See I shared your fears, and the tears you cried I
tasted Baby, I loved your kids, opened up my home. Yes I did
Paid your mama's bills. Gave you all when
You had nothing Love you so, can't let go
Never thought I'd be without you
Can't imagine life without you
Walk away, everyday
Told me that you'd never leave
But now you say it hurts too much to stay Too much to stay Said it's hard for me
Your lover's stay in with his mom
Tell me was it worth the drama oh baby
See we got our own kids yeah If there had to be another
Why go trick'n in the gutter
And drivin our sh, mmmmmmm
Boo baby See I know he can't put that thang down like I do
Baby that was the past. You don't roll like you
used Said what's my motivation
Girl I'm better off alone Tell me why can't we just walk away
Why are we so torn? Love you so, can't let go
Never thought I'd be without you
Can't imagine life without you
Walk away, everyday
Told me that you'd never leave
But now you say it hurts too much to stay Never meant to hurt you
You walk away from me
Tell me why did you change Can't it be all that we have hoped and prayed for
Now its gone away Oh baby, everything. Our hopes and dreams they are
No longer. We can't go back the way it used to be
Said now really Love you so, can't let go
Never thought I'd be without you
Can't imagine life without you
Walk away, everyday
Told me that you'd never leave
But now you say it hurts too much to stay Tryin to make you understand that I only just a man
Going to jail cause
I kill yo girl
Going to jail cause I kill yo girl Come on now don't do this now
Come on now don't do this now Your body belongs to me
She can't have you no matter what she thinks

No no no no no no no no no
