Alive

Doro Pesch

All alone, and night is falling
All along, I hear you calling
Telling lies, and sad goodbyes
The secrets will be safe inside of me
As long as I'm alive
You'll always be a part of me
As long as I'm alive
As long as I'm alive
For you I'll always keep
The fire burning inside
CHORUS
I will keep this love alive

Let our souls be the first me satisfy
I will keep this love alive
Oh let our hearts be the only guide we follow
Everybody knows, you can't build a wall around us
I believe time will tell
Our hearts will stay forever locked together
As long as I'm alive
For you I'll always keep
The fire burning inside
CHORUS
