

# These Eyes

Angie Stone

These Eye's  
Cry every night for you  
These arm's long to hold you again  
The hurting's on me (yea)  
I will never be free no no baby no no  
You gave a promise to me (yea)  
And you broke it, You broke it  
Oh  
These eye's watched you bring my world to an end  
This heart could not accept and pretend  
The hurting's on me (yea)  
But i will never be free no no no no no  
You took a vow with me (yea)  
And you spoke it, You spoke it baby  
These eye's are crying  
These eye's have seen a lot of but their never  
Gonna see another one like they had  
With you  
These eye's are crying  
These eye's have seen a lot if love  
But their never gonna see another one  
Like they had with you  
These eye's are crying  
These eye's have seen a lot of love but their never  
Gonna see another one like they had  
With you  
These eye's cry every night for you  
These arm's long to hold you hold you again
