

Bad Seed

Metallica

Yeah yeah,
Yeah yeah

Ooooh, bad

Yeah,
Come clean
Fess up
Tell all
Spill gut

Off the veil
Stand revealed
Show the cards
Bring it on, break the seal

Ladies and gentleman
Step right up and see the man who told the truth

Swing the noose again
Pierce the apple skin
You bit more than you need
Now you're choking on the bad seed
On the bad seed, chokin

Yeah
Let on
Load off
Confess
Cast off

At the mercy
The cat is out
Drop the disguise
Spit it up, spit it out

And now what you've all been waiting for
I give you he who suffers the truth

Swing the noose again

Pierce the apple skin
You bit more than you need
Now you're choking on the bad seed
Choking on the bad seed

Off the veil, stand revealed
Bring it on, break the seal
At the mercy, the cat is out
Spit it up, spit it out
Spit it up, spit it out
Spit it out now

At the mercy

Swing the noose again
Pierce the apple skin
You bit more than you need
Choking on the seed

Swing the noose again
Pierce the apple skin
Yeah, a bit more than you need
Oh, you're choking on a
Choking, choking, choking on the bad seed

Off the veil, stand revealed
Bring it on, break the seal
At the mercy, cat is out
Spit it up, spit it out
Spit it up, spit it out
Spit it out now

Choking on the bad, bad, bad, bad, bad, bad seed
