

Aberdeen Mississippi Blues

Bukka White

I was over in Aberdeen
On my way to New Orlean
I was over in Aberdeen
On my way to New Orlean
Them Aberdeen women told me
Will buy my gasoline

Hey, two little women
That I ain't ever seen
They has two little women
That I ain't never seen
These two little women
Just from New Orlean

Ooh, sittin' down in Aberdeen
With New Orlean on my mind
I'm sittin' down in Aberdeen
With New Orlean on my mind
Well, I believe them Aberdeen women
Gonna make me lose my mind, yeah

(slide guitar & washboard)

Aber-deen is my home
But the mens don't want me around
Aberdeen is my home
But the men don't want me around
They know I will take these women
An take them outta town

Listen, you Aberdeen women
You know I ain't got no dime
Oh-oh listen you women
You know'd I ain't got no dime
They been had the po' boy
All up and down.
