

Careless Whisper

Barry Manilow

I feel so unsure as I take your hand
And lead you to the dance floor
As the music dies, something in your eyes
Calls to mind a silver screen and all it's sad good-byes I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool I should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you Time can never mend
The careless whispers of a good friend
To the heart and mind, ignorance is kind
There's no comfort in the truth, pain is all you'll find I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool I should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you No love without you, girl Tonight the music seems so loud
I wish that we could lose this crowd
But maybe it's better this way
We'd hurt each other with the things we'd want to say We could have been so good together
We could have lived this dance forever
But now who's gonna dance with me
Please stay And I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool I should've known better than to cheat a friend
And waste the chance that I've been given
So I'm never gonna dance again
The way I danced with you Never without you, baby
Should've known better
Never without you, baby
