Undo It

[Carrie Underwood](#)

I should've known by the way you passed me by
There was something in your eyes and it wasn't right
I should've walked, but I never had the chance
Everything got out of hand, and I let it slide
Now I only have myself to blame
For falling for your stupid games
I wish my life could be the way
It was before I saw your face
You stole my happy, you made me cry
Took the lonely, and took me for a ride
And I wanna undo it
You had my heart, now I want it back
I'm starting to see everything you lack
Boy you blew it, you put me through it
I wanna undo it
Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na na
Now your photos don't have a picture frame
And I never say your name, and I never will
And all your things, well, I threw them in the trash
And I'm not even sad
Now you only have yourself to blame
For playing all those stupid games
You're always going to be the same
Oh no, you'll never change

You stole my happy, you made me cry
Took the lonely, and took me for a ride
And I wanna undo it
You had my heart, now I want it back
I'm starting to see everything you lack
Boy you blew it, you put me through it
I wanna undo it
Na, na, na, na, na
Na, na, na, na, na
Na, na, na, na, na na
You want my future, you can't have it
I'm still trying to erase you from my past

I need you gone so fast
You stole my happy, you made me cry
Took the lonely, and took me for a ride
And I wanna undo it
You had my heart, now I want it back
I'm starting to see everything you lack
Boy you blew it, you put me through it
I wanna undo it
You stole my happy, you made me cry
Took the lonely, and took me for a ride
Boy you blew it, you put me through it
I wanna undo it
