

I Heard of a Girl

Miss Li

La lalala lalalala lalala
La lalala lalalala lalala

I heard of a girl,
She was alone every single day.
I heard of a girl,
They wouldn't let her come along and play.
I heard of a girl,
Oh they were teasing her in every way.
I heard of a girl,
She went to school every day afraid.
I heard of a girl.

La lalala lalalala lalala
La lalala lalalala lalala

I heard of a girl,
Her mom and dad they didn't know.
I heard of a girl,
She was too embarrassed to let it show.
I heard of a girl,
And on the cloudy November night
I heard of a girl,
She closed her door and took her life.

x2

I heard of a girl.
I heard of a girl.

x2

I swear I didn't know.

About the girl.

x5

I heard of a girl.
