No Mama Blues

Riley Downing, Sam Doores & The Tumbleweeds

Oh My, Mama How She Loved Me But She Had To Let Me Go
So She Lead Me Down To The River, And The Forest Across The Road

And She Had Hair Short Bright Silver, And Her Eyes As Black As Stones
She Took Me Down, Down To The Garden And She Left Me There All Alone

Oh Mother Don't You Know My Sorrow, Don't Forget Me When You Go
Mother Left, The Children Only Follow With A Name I Will Never Know

And She Had Hair Short Bright Silver, And Her Eyes As Black As Stones
She Took Me Down, Down To The Garden And She Left Me There All Alone

There I Lived, In That Garden Until I Died Old
And The Very Last, Thought I Thought Made My Blood Run Freezing Cold

And She Had Hair Short Bright Silver, And Her Eyes As Black As Stones
She Kissed Me, On The Fore head, And Said "Son I Must Go On"

And She Had Hair Short Bright Silver, And Her Eyes As Black As Stones
She Took Me Down, Down To The Garden And She Left Me There All Alone

Oh Mama
