# Dirty Dynamite

## Krokus

When I walk that lonely road
Feel the loving words she wrote
It breaks my heart it's a crying shame
No one else but myself to blameI want my girl yeah I want my love
I call my seven angels above
Bring me back the one I need
This fading taste of bittersweetShe's a dirty dynamite
And I'm a crazy fool
We need salvation
Can't play it coolI love the way she walks
And I love the way she talks
Yes you can tell me what you want
Say you're leaving honey don't
Remember how I use to touch you hair
There was a golden magic there
Oh can you hear the distant call
Yes you and me we had it allYou're dirty dynamite
And I sure need more
There ain't no future
When you walk that doorShe's a dirty dynamite
And I'm a crazy fool
We need salvation
Can't play it coolYou're a dirty dynamite
And I sure you need more
There ain't no future
When you walk that door
When you walk that door
Baby give me more
More, more, more!Come on!Oh, more, more, more!
Yeah!She's a dirty dynamite
And I'm a crazy fool
We need salvation
Can't play it coolYou're a dirty dynamite
And I sure you need more
There ain't no future
When you walk that doorShe's a dirty dynamite
And I'm a crazy fool
We need salvation
Can't play it cool...
