

Duncan and Jimmy

The New Basement Tapes

Fill up the glasses and take your stand
Tip your hat to the world
Putting up a bow tie and dance all around
Once again with a pack of wild herd

Duncan and Jimmy, walk side by side
Nobody wants to see them
Duncan and Jimmy, walk side by side
Has anybody see them?

Pray the man, pray the man
Which way to go tonight
Take me down to Jacksonville
Or just leave me be wherever seems right

Duncan and Jimmy, walk side by side
Nobody wants to see them
Duncan and Jimmy, walk side by side
Has anybody see them?

So fill up the glasses and take your stand
Tip your hat to the world
Putting up a bow tie and dance all around
Once again with a pack of wild herd

Duncan and Jimmy, walk side by side
Nobody wants to see them
Duncan and Jimmy, walk side by side
Has anybody see them?

Duncan and Jimmy, walk side by side
Nobody wants to see them
Duncan and Jimmy, walk side by side
Has anybody see them?

Duncan and Jimmy, walk side by side
Nobody wants to see them
Duncan and Jimmy, walk side by side
Has anybody see them?

Has anybody see them?
Has anybody see them?
