Snow

Tracey Thorn

Snow, feels the fields we used to know
And the little park where we will go
Sleeps far and low in the snowGone, it's all over and you're gone
But the memory lives on, oh know
Our dreams lie barely in the snowSometimes the wind blows through the trees
And I think I hear you calling me
All I see is snow
Everywhere I go as the cold wind is sun
I see snow, I walk alone through the snow
