Burned Out And Broken In

The Beautiful Mistake

i feel, like the one who can't break up
am i unwelcome, should i leave with all my doubt
i know, these feelings always pass
but tonight i'm all alone, should i just aski can't sleep with these objects closing in
i'm short of breath*
i'm tired, i'm tired of running
even my dreams, they seem to take effect
i'm losing it
i'm losing ityou say, you'll lighten up my load
my back is broken,
maybe i should just stay home
you say, you'll hold me in these times
so wrap your arms around me,
and ease my troubled mindi can't sleep with these objects closing in
i'm short of breathe*
i'm tired, i'm tired of running
even my dreams, they seem to take effect
i'm losing it
i'm losing it
time steals my heart, feeling naked once again
i can't move i'm tired
tired of running (tired of running)
tired of running'
