

# La Sagrada Familia

## The Alan Parsons Project

In recent times, there is no one at all  
Who can approach Antonio Gaudi  
He started a new cathedral, in Barcelona  
It is called La Sagrada Familia or the Holy Family  
The sad thing is they could try to finish it  
But I don't think they will do it Who knows where the road may lead us, only a fool would say  
Who knows if we'll meet along the way  
Follow the brightest star as far as the brave may dare  
What will we find when we get there? La Sagrada Familia, we pray the storm will soon be over  
La Sagrada Familia, for the lion and the lamb Who knows where the winds may blow us, only a fool would say  
Who knows if we'll ever reach the shore  
Follow a rising sun with eyes that may only stare  
What kind of fire will burn us there? What kind of fire?  
Only a fool would say La Sagrada Familia, the wind has changed the storm is over  
La Sagrada Familia, for the lion and the lamb  
La Sagrada Familia, we thank the lord the danger's over  
La Sagrada Familia, there's peace throughout the land Under clear blue skies our voices rise in songs of glory  
And for all those years our eyes and ears were filled with tears Who knows where the world may turn us, only a  
fool would say  
Who knows what the fates may have in store  
Follow the light of truth as far as our eyes can see  
How should we know where that may be? How should we know? Then the angry skies, the battle cries, the  
sounds of glory  
And for all those years our eyes and ears were filled with tears Who knows where the road may lead us, only a  
fool would say  
Who knows what's been lost along the way  
Look for the promised land in all of the dreams we share  
How will we know when we are there? How will we know?  
Only a fool would say La Sagrada Familia, the war is won the battle's over  
La Sagrada Familia, for the lion and the lamb  
La Sagrada Familia, we thank the lord the danger's over  
La Sagrada Familia, behold the mighty hand  
La Sagrada Familia, the night is gone the waiting's over  
La Sagrada Familia, there's peace throughout the land Until the next time, until the next time  
La Sagrada Familia
