

# You Don't Have to Love Me

Monifah

You don't have to love me  
(You don't have to love me)  
You don't have to want me  
(Anymore)  
You don't have to need me  
(You don't have to need me)  
'Coz I've got love on my side  
And it's gonna be all right Baby, I had a feeling that you were cheatin' on me  
But blinded by love I couldn't see  
I guess everybody plays the fool sometimes  
But it's cool, yeah, it's cool  
You don't have to worry about me You don't have to love me  
(You don't have to love me)  
You don't have to want me  
(Anymore)  
And you don't have to need me  
(You don't have to need me)  
No, no, no, no, baby  
'Coz I've got love on my side  
And it's gonna be all right, hey, hey Do you believe that what goes around, comes around?  
Just you wait and see 'coz I'm not worried 'bout a thing anymore  
It doesn't follow me, it doesn't follow me, can't you see it?  
I don't need ya, ever need baby  
'Coz you don't, I said, "You You don't have to love me anymore"  
(You don't have to love me)  
No, no, no, no, no, no, no  
(Anymore)  
You don't have to want me, yeah  
(You don't have to need me)  
'Coz baby, baby, 'coz I've got love on my side  
And it's gonna be alright, yeah, yeah (You don't have to love me)  
You don't have to want me  
(Anymore)  
You don't  
(You don't have to need me)  
You don't have to need me  
(Coz I've got love on my side)  
I've got love, I've got love, I've got love, I've got love Love me no, no  
I've got love, I've got love, I've got love

On my side You don't have to love me  
Anymore  
You don't have to need me  
'Coz I've got love on my side
