Power Is Force

The Horrorist

Power is Force. Force to Control.
Madness. Hate. Move.Your Body at Mind.
Your Body at Head.
Your Body in Pain.
Your Body in Fear.Method is Power. Power its the Ebb.Power is Force. Force to Control.
Madness. Hate. Move.Method is Power. Power it's the Ebb.
Science is Fire. Move your Body!Your Body at Mind.
Your Body at Hand.
Your Body in Pain.
Your Body in Fear.Power is Force. Force to Control.
Madness. Hate. Move.I only hear the mutant sounds of the cheap impersonators
and I out run my limitations!
and I out run my limitations!
and I out run my limitations!
and I out run my limitations!
and I out run my limitations!
and I out run my limitations!Power is Force. Force to Control.
Madness. Hate. Move.Method is Power. Power is the Ebb.
Science is Fire. Move your Body!Power is Force. Force to Control.
Madness. Hate. Move.
