Space Oddity

Natalie Merchant

Ground Control to Major Tom
Ground Control to Major Tom
Take your protein pills
And put your helmet onGround Control to Major Tom
Commencing countdown, engines on
Check ignition
And may God's love be with you(spoken)
Ten, Nine, Eight, Seven, Six, Five, Four, Three, Two, One, LiftoffThis is Ground Control to Major Tom
You've really made the grade
And the papers want to know
Whose shirts you wear
Now it's time to leave
The capsule if you dare"This is Major Tom to Ground Control
I'm stepping through the door
And I'm floating in a most peculiar way
And the stars look very different todayFor here
Am I sitting in a tin can
Far above the world
Planet Earth is blue
And there's nothing I can doThough I'm past one hundred thousand miles
I'm feeling very still
And I think my spaceship
Knows which way to go
Tell my wife I love her
Very much she knows"Ground Control to Major Tom
Your circuit's dead,
There's something wrong
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you...."Here am I floating round my tin can
Far above the Moon
Planet Earth is blue
And there's nothing I can do."
