

# Space Oddity

Natalie Merchant

Ground Control to Major Tom  
Ground Control to Major Tom  
Take your protein pills  
And put your helmet on Ground Control to Major Tom  
Commencing countdown, engines on  
Check ignition  
And may God's love be with you (spoken)  
Ten, Nine, Eight, Seven, Six, Five, Four, Three, Two, One, Liftoff This is Ground Control to Major Tom  
You've really made the grade  
And the papers want to know  
Whose shirts you wear  
Now it's time to leave  
The capsule if you dare "This is Major Tom to Ground Control  
I'm stepping through the door  
And I'm floating in a most peculiar way  
And the stars look very different today For here  
Am I sitting in a tin can  
Far above the world  
Planet Earth is blue  
And there's nothing I can do Though I'm past one hundred thousand miles  
I'm feeling very still  
And I think my spaceship  
Knows which way to go  
Tell my wife I love her  
Very much she knows "Ground Control to Major Tom  
Your circuit's dead,  
There's something wrong  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you.... "Here am I floating round my tin can  
Far above the Moon  
Planet Earth is blue  
And there's nothing I can do."
