

# Enough to Know

## The Superjesus

Something else is keeping you, keeping you from knowing me  
and something else will keep you locked away  
against the grain your star to fade  
sunken eyes have more to say  
and something else will keep you locked away And I'll say I feel enough to know  
Always waiting for more  
I feel enough to know Janitors who read the lines can tell you where the sun will rise  
invitation of another day  
paint it black, this sugar shack  
so everyone's inclined to stay Somethings keeping me from knowing you ...
