

# I Need A Mother

Eels

I need a mother  
I'm sorry but it's true  
I need a lover  
Not someone like you I been your daddy for too long of a time  
Need a little mothering just once in a while  
I need a mother  
I'm sorry but it's true It's undercover, the way it's always been  
I should have said something  
But I didn't know where to begin  
You've been taking everything I ever give  
But I don't have no more  
This ain't no way for me to live  
I need a mother  
I'm sorry, that's just how it is I need a mother  
It's really nothing new  
A little help sometimes  
That's just what you do
